Southern Mustard, all kind	11c lb.

Conqueror Anti-Wilt Melon Seed. No spots for sale. New. List in your 1912 catalogue. Can be planted on tens of thousands of acres in the South now impossible through wilt infestation. Seed for Oct., 1911, delivery. Augusta grown, at 60c per lb., immediate contract.

Note! List the Conqueror Anti-Wilt. It marks a revolution in the matter of economy in watermelon growing in the South where nearly all lands are infested with the wilt germ.

Write for our February 20th, wholesale seed trade list; for present delivery and for future contracts. This is one of the most interesting lists ever made of strictly Southern grown seed products. This house has built up a tremendous Southern seed growing industry.
